## GETTING THE AUTO YOU WANT FEELS GOOD. IT FEELS EVEN BETTER TO GET GREAT FINANCING.

CUDL (*Credit Union Direct Lending*) has partnered with participating dealers to offer financing for your new or used vehicle at competitive BECU rates and flexible term options. BECU members may apply for and obtain BECU auto financing right at the dealership - typically in less time than it would take to arrange a loan the old-fashioned way. Non-members may become members, qualify and obtain financing on the spot.\*

### THERE ARE JUST A FEW THINGS TO KEEP IN MIND AS YOU GO THROUGH THE CUDL PROGRAM TO GET YOUR BECU AUTO FINANCING:

>> *If you've already been pre-approved for an auto loan from BECU, you will also need to complete the credit application at the dealership.*

>> *The dealership will send your application information through CUDL secure channels. Your request for financing will be sent directly to BECU. If you're already pre-approved, our system will recognize you.*

>> *The dealership will forward your loan documents to BECU, completing your purchase. Going through CUDL is fast, convenient and easy!*

>> *Want a lower rate on your BECU vehicle loan?*

Now that you're a member of BECU, you can take advantage of the full range of products and services we offer. If you choose to receive additional products and services, we may be able to lower your current auto rate! Call us today and we'll tell you how.

\* BECU membership subject to eligibility requirements. BECU loan financing subject to BECU's credit and underwriting approval.

BECU does not endorse or vouch for dealers or dealer's products or services and accepts no liability for the use of such products and services.
