

Business Credit Card: Account Setup Options

Sharing and managing business credit card accounts can get complicated. Streamline your business purchases and expense management—choose from three flexible credit card account setup options.

Single Individual Card Account

Best if: *You want one account with one or more physical cards that share a single spending limit.*

Benefit: Simplicity

- Each card user has their own physical card.
- All physical cards share the same account number.
- See all transactions on one statement.
- Make one consolidated payment.
- All cards share access to the account's total spending limit.
- Cash rewards apply to the shared account.

Consideration: Activity tracking and control

- There are no personally individualized spending limit controls.
- There is no individual expense tracking.

Multiple Individual Card Accounts

Best if: *You want to track expenses and control spending by individual.*

Benefit: Expense and reimbursement tracking

- Each card user has their own physical card.
- Each physical card has a unique account number.
- Set a unique spending limit for each card.
- View all accounts and statements in Online Banking.

Consideration: Multiple accounts, multiple payments

- Make separate payments for each card.
- Receive individual statements for each account.
- Cash rewards apply to each card individually.

Consolidated Pay Multiple Card Accounts

Best if: *You want to track expenses by individual and make one payment for all cards to one control account.*

Benefit: Tracking and single-payment ease

- Each card user has their own physical card with its own account number.
- Set a unique spending limit for each card.
- Each card is a “sub-account” under the control account.
- Payments are made to the control account, typically by one person for the whole account.
- Cash rewards apply to the control account.
- Account administrators at your company can see and share control account statements in Online Banking.
- Statements provide an overview of the control account, including all spending and payments, plus the spending activity on each card.

Consideration: Complexity

- This is the most complex setup.
- An administrator at your company will manage the control account payments and limits.

Step 7. Agreements

All Business Owners / Guarantors listed in Step 4 must sign the application below.

By signing below you are signing for the Business as an acting officer of the Business and individually as a guarantor. You hereby request BECU to establish a business credit card account in the Business name (the "Business Account") and you agree to the following:

1. You certify that the information contained herein is complete and accurate. By submitting this application, you authorize BECU to obtain a consumer report and a business credit report and related information about you and the Business from one or more credit reporting agencies and other third parties, now and in the future. You authorize BECU to use this information on an ongoing basis to evaluate your and the Business' applications, validate employment and income, and conduct periodic reviews of your and the Business' BECU accounts. You also instruct and authorize BECU to use this information on an ongoing basis to advertise other products and services to you and the Business, and to build, test, and improve AI-driven financial advisory and other automated tools and services managed by BECU that support account servicing and financial guidance. You certify that the execution, delivery, and performance of this Application have been authorized by all necessary action by the Business. You agree that the Business Account will be used primarily for business purposes, and not personal, family, or household purposes.
2. You affirm that you are an acting officer of the Business with the ability to bind the Business to the obligations of the BECU Business Credit Card Agreement and Disclosures as it may be amended from time to time (the "Agreement"), which you acknowledge you have received and which contains the terms and conditions that will govern the Business Account, so that the Business is liable for the total amount of all purchases, cash advances, balance transfers and other transactions charged to the Business Account, plus finance charges, fees and other charges incurred in connection with the Business Account and all amounts due under the Agreement (the "Obligations").
3. You agree that to induce us to lend money or give credit to the Business, you absolutely and unconditionally guarantee prompt and full payment of all Obligations. You waive any and all suretyship defenses. You are jointly, severally, and personally liable for all amounts due under the Agreement and you understand that "personal liability" means an individual obligation which must be paid by you even if the Business becomes insolvent, inactive, or ceases to exist or otherwise fails to pay us or you discontinue your employment or other connection with the Business. You agree to be personally responsible to pay the Obligations although you may not personally receive any goods, services, or money from the advance.
4. You authorize the issuance of the credit cards to each of the Authorized Cardholder(s) listed above or on the Business Credit Card Servicing form and authorize each Cardholder to obtain credit under the Business Account. If you wish to change, add, or remove any Authorized Cardholders, you will complete a Business Credit Card Servicing form and authorize the issuance of credit cards to individuals listed on that form.
5. Automatic Payment Setup: You authorize BECU to transfer funds from the designated deposit account to make the automatic payment on its due date. The automatic payment will be attempted on the payment due date only. If there are insufficient available funds to make the automatic payment on the payment due date, your Business Credit Card account may be charged a returned payment fee.
6. You agree that BECU and its service providers may contact you for non-marketing purposes at any telephone number you provide. BECU may use automated telephone dialing, text messaging systems, prerecorded and artificial voice messages, and electronic mail to contact you. You agree to update us promptly when your telephone number changes.

Step 7. Agreements (continued)

7. You agree that if the Business accepts the BECU Business Cash Back credit card, which you acknowledge you have received, whether now or in the future, the terms and conditions of the BECU Business Visa® with Cash Rewards Rules, Terms, and Conditions will govern.

By applying for and accepting this Business Account, you grant us a separate contractual security interest in all of the Business' BECU share and deposit accounts it has with us now and in the future and, if the Business is a sole proprietorship, all of your individual and joint BECU share and deposit accounts you have with us, now or in the future (excluding retirement or other accounts to the extent that applicable law precludes the pledge of such accounts), to secure the Obligations. You authorize us, without further notice to you, to apply the balances in these account(s) to pay any of the Obligations in the event of default.

Step 8. Signatures

Oral agreements or oral commitments to loan money, extend credit, or to forbear from enforcing repayment of a debt are not enforceable under Washington law.

Certification Regarding Beneficial Owners of a Legal Entity

All form fields are required unless otherwise noted.

Sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf do not need to complete this form.

Questions? Contact Boeing Employees' Credit Union (BECU) at **800-704-8080**.

Step 1. Purpose of this form

Federal regulations require financial institutions to obtain, verify, and record certain information, some of which is collected on this form.

Legal Entities can be used to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a Legal Entity (the Beneficial Owners and the Control Person) helps law enforcement investigate and prosecute these crimes.

Step 2. Legal Entity information

Provide the full legal name of the business as registered with the secretary of state or department of revenue, not a trade name or "doing business as" (DBA) name.

Legal Entity Type

You must list **all** Beneficial Owners with 25% or more ownership unless there are no such owners (for example, non-profit organizations), in which case you may check the box stating there are no Beneficial Owners.

This Agreement may be supplemented by information in other documents we issue (such as the Application, BECU Business Lending Rates, BECU Business Visa® with Cash Rewards Rules, Terms, and Conditions, periodic account billing statements, and the materials that accompany new or replacement cards), which we identify as supplementing or making amendments to the terms of this Agreement. You automatically accept and agree to the terms of this Agreement as it may be amended from time to time by signing the Application, and each User automatically accepts and agrees to the terms of this Agreement, as it may be amended from time to time, by making a Purchase, requesting a Balance Transfer, taking a Cash Advance, or otherwise using or authorizing use of the Business Account, or any credit card device issued in conjunction with the Business Account. You should read this Agreement carefully and keep it for your records.

1. Responsibility

In this Agreement, the words “we,” “us,” “our” or “BECU” means Boeing Employees’ Credit Union. “You,” “your,” and “yours” means, individually and collectively, the Business and each person signing the Application as a Business Owner/ Guarantor. The word “User” means, individually and collectively, the Business, each person signing the Application as a Business Owner/Guarantor, each Cardholder named on the Application or Business Credit Card Servicing form, and any person who uses or permits others to use a Credit Card. “Guarantor” means each person who guarantees the payment and performance of each and every debt, liability, and obligation of every type and description, which the Business may owe us, or at any time hereafter owe us, under this Agreement. “Business” means the sole proprietorship, partnership, corporation, limited liability company, or other business entity, which is liable to us as Borrower identified on the Application as the entity with respect to which Cardholders will engage in business purpose transactions using the Business Account, and its successors and assigns. “Cardholder” means the person(s) authorized to obtain credit under the Business Account, whether named in an Application as an Authorized Cardholder or otherwise. “Application” means the Business Credit Card Application and Agreement and related documents completed in order to open the Business Account. By accepting, signing, using, or authorizing the use of any Credit Card you, individually and on behalf of the Business, (a) represent that the individual(s) opening the Business Account is an authorized representative of the Business with the authority to legally bind that Business; (b) request that a Business Account be opened for you; (c) request that Credit Cards be issued on that Business Account as indicated in the Application or through subsequent requests; (d) authorize the receipt, reporting and exchange of credit information about you and credit or financial information about the Business; (e) agree to be and are bound by the terms of this Agreement as it may be amended from time to time; (f) represent and agree that the Credit Cards and all transactions will be used only for business purposes, including commercial, industrial, and professional purposes, and will not be used for personal, family, or household purposes.

2. Credit Limit

We will establish a maximum credit limit available for your Business Account, which represents the maximum credit available to you. In addition each card account will have a maximum spending limit, which will be defined by you. We will communicate your new interest rate, credit limit, and other important information to you by specifying this information in your monthly BECU statement or other periodic statement, special notice, or similar document that we mail to you. You will also be able to see your rate and credit limit at the account level in Online Banking. You agree that no User will attempt to obtain more credit than the amount of the maximum credit limit available for your business or the spending limit on any individually assigned card. If your business credit limit or any individual spending limit is temporarily exceeded, you understand that granting such additional credit does not increase the maximum credit limit or the specific spending limit for any card. Each time a transaction is attempted, which results in your applicable outstanding balance (plus authorizations) exceeding the business credit limit or an individual spending limit, we may, in our sole discretion: (1) permit the transaction without raising your credit limit or the spending limit; (2) permit the transaction and treat the amount of the transaction that is more than the credit limit or spending limit as immediately due; or (3) refuse to permit the transaction. If we refuse to permit the transaction, we may advise the person who attempted the transaction that it has been refused. If we refuse to permit a Check Cash Advance or Balance Transfer, we may so do by advising the person presenting the Check Cash Advance or Balance Transfer that the credit has been refused, that there are insufficient funds to pay the Check Cash Advance or Balance Transfer, or in any other manner. You understand that we can still charge you for all Purchases, Cash Advances, Balance Transfers, and other transactions incurred above the business credit limit or any assigned spending limit for an individual card. If we permit a transaction that temporarily exceeds the business credit limit or any individual spending limit, we can charge you an overlimit fee and you agree to pay us that excess amount, any overlimit fee, and applicable Finance Charges immediately. We can increase or decrease your credit limit at our discretion. We may suspend or close your Business Account, reduce, or suspend the credit limit on your Business Account or any individually assigned spending limit, suspend, or terminate any User, or otherwise terminate your ability to use your Business Account at any time and for any reason.

Your obligations under this Agreement continue even after we have done this. The Credit Card may not be used for any illegal or unlawful transaction and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness.

BUSINESS CREDIT CARD AGREEMENT AND DISCLOSURES

Each device will contain the account number of the single individual credit card account and will have full access to the available single individual credit card account spending limit.
- ii. All payments received will be applied to the single individual card account balance.

b. Multiple Individual Credit Card Accounts

- i. Each individual credit card account will be assigned a separate spending limit, account number and credit card device.
- ii. Separate payments are required for balances accrued on each individual credit card account and will be applied to that individual credit card account balance and spending limit only.

c. Consolidated Pay Credit Card Accounts

- i. A Control Account will be established with an assigned spending limit.
- ii. Sub-Accounts will be established under the Control Account for each cardholder, each with separate spending limits, separate account numbers and credit card devices. The aggregate of all of Sub-Account spending limits cannot exceed the Control Account spending limit.
- iii. All payments will be applied to the Control Account balance and spending limit only. Any payment made to the Control Account will reset the available balance to 100% availability on all Sub-Accounts regardless of payment amount or Sub-Account outstanding balance.

3. Promise to Pay

You unconditionally promise to pay us the total amount of all Purchases, Cash Advances, Balance Transfers, and other transactions charged to the Business Account, plus Finance Charges, fees, and other charges incurred in connection with the Business Account, and all amounts due under this Agreement (the "Obligations"). Your liability for the Obligations is joint, several and personal.

Each Guarantor agrees that to induce us to lend money or give credit to the Business, each Guarantor absolutely and unconditionally guarantees prompt and full payment of the Obligations. **Each Guarantor waives any and all suretyship defenses. All Guarantors are each jointly, severally, and personally liable for all amounts due under this Agreement and each Guarantor understands that "personal liability" means an individual obligation, which must be paid by the Guarantor even if the Business becomes insolvent, inactive or ceases to exist or otherwise fails to pay us, or if the Guarantor discontinues his/her employment or other connection with the Business.** Each Guarantor agrees to be personally responsible to pay the Obligations although such Guarantor may not personally receive any goods, services, or money from the advance. We can demand a Guarantor pay, even though we do not try to collect from the Business and without enforcing any security interest the Business or any Guarantor has given us. The obligation of each Guarantor hereunder is independent of the obligations of the Business, and a separate action or actions may be brought against any Guarantor on any guaranteed indebtedness. This guaranty is a continuing guaranty; any payment by a Guarantor, the Business, or any other person shall not reduce the maximum principal amount of any Guarantor's obligations hereunder. Any Guarantor may revoke his or her guaranty effective upon our receipt of written notice as provided herein, provided that (a) revocation shall be effective at the close of our business day when the notice is actually received; (b) revocation will not affect any Guarantor's obligation with respect to any indebtedness existing before such revocation is effective; and (c) revocation will not affect any other Guarantor's guaranty. If a Guarantor executes more than one guaranty of any indebtedness of the Business to us, the limits of liability with respect to all the guaranties such Guarantor has executed will be cumulative. Each Guarantor agrees to pay or reimburse us for all costs and expenses under the terms of the Agreement including reasonable attorney fees and legal expenses incurred by us in connection with the protection, defense, or enforcement of this guaranty in any litigation, bankruptcy, or insolvency proceedings. Each Guarantor understands that if such Guarantor leaves the employment of the Business, such Guarantor will continue to be responsible for the Obligations.

The liability of the Business and the Guarantors for the Obligations includes liability for all transactions and charges made by anyone whom the Business, a Cardholder, or a Guarantor allows to use the Business Account. We may collect from or bring a legal claim against any individual Guarantor and/or against the Business, without giving up any of our rights against any other person or entity. Improper or negligent acts, including acts of omission, with respect to handling any Credit Card or personal identification number may result in liability to you and the Business. Additionally, you may be liable for the loss, theft or unauthorized use of your Credit Card as well as for losses resulting from negligent actions by you, your agents, or authorized Cardholders.

If two or more persons or entities are responsible to pay any outstanding balance, we may refuse to release any of them from liability until all of the unexpired Credit Cards issued have been returned to us and/or the balance is paid in full.

4. Lost, Stolen, or Unauthorized Use of Your Card

All Users agree to notify us immediately, orally or in writing, of the loss, theft, or unauthorized use of your Credit Card. We may investigate any cases of unauthorized use of your Credit Card. We may terminate or limit access to your Credit Card if any User has notified us, or we have determined that your Credit Card may have been lost or stolen, or that there may be unauthorized access to your Credit Card. Unless you, your agents or any User has been negligent or has engaged in improper conduct, you will not be liable for any unauthorized transactions using your lost or stolen Credit Card. If you are liable for unauthorized transactions, your liability will not exceed \$50. However, every Business that provides Credit Cards issued by us to 10 or more of its

BUSINESS CREDIT CARD AGREEMENT AND DISCLOSURES

employees, principals or partners will have unlimited liability for unauthorized use that occurs prior to notification. You will not be liable for unauthorized transactions that occur after you notify us at: BECU, P.O. Box 97050, Seattle, WA 98124-9750 or by phone by calling 206-439-5700 or 800-233-2328, Monday-Friday 7 am-7 pm, Saturday 9 am-1 pm Pacific Time. After hours: Call 800-449-7728. (This number is only for use of reporting the loss, theft, or unauthorized use of your Credit Card.)

5. Daily Periodic Rate and Annual Percentage Rate

- a. **Interest Rate:** The Daily Periodic Rate (DPR) and corresponding ANNUAL PERCENTAGE RATE used to calculate the FINANCE CHARGE is a variable rate. The Daily Periodic Rate is the Annual Percentage Rate divided by 365. The ANNUAL PERCENTAGE RATE (APR) for your Business Account is stated in your monthly BECU statement or other periodic statement, special notice, or similar document that we mail to you. You will also be able to see your rate and credit limit at the account level in Online Banking.
 - i. **Introductory or Promotional Rate.** If you have not previously received a Credit Card and you establish your Business Account, you may be eligible for an introductory rate or promotional rate. Any introductory rate, and the period for which it will be in effect, will be stated in your monthly BECU statement or other periodic statement, special notice, or similar document that we mail to you. You will also be able to see your rate and credit limit at the account level in Online Banking. Any promotional rate, and the period for which it will be in effect, will be stated in a notice provided to you at the beginning of the promotional rate period. The introductory rate or promotional rate may be extended by BECU in its discretion.
 - ii. **Variable Rates.** A variable DPR and APR will be used to calculate the finance charge applicable to your Business Account, after the expiration of any applicable introductory rate period. The APR will be based on the value of an index. The index will be the highest U.S. Prime Rate published in the Money Rates section of The Wall Street Journal on the first business day of each month. This Prime Rate is a reference index and is not the lowest interest rate available. If The Wall Street Journal does not publish the U.S. Prime Rate, or if it changes the definition of the U.S. Prime Rate, we may substitute another index, subject to applicable law. To determine the APR that will apply to your Business Account, we will add a margin to the value of the index. The current range of APRs that can apply is disclosed in the BECU Business Lending Rates. The margin and the corresponding APR applicable to your Business Account will be stated in your monthly BECU statement or other periodic statement, special notice, or similar document that we mail to you, and may depend on your (you and/or the business's) credit qualifications, income, credit, or employment history. You will also be able to see your rate and credit limit at the account level in Online Banking. Your APR can change on the first business day of the billing cycle of each month, based on the index rate in effect as of the first day of the prior calendar month. Increases or decreases in the U.S. Prime Rate will cause increases or decreases in the APR, resulting in increases or decreases in the interest charge, which in turn will affect the number of your regularly scheduled minimum payments. There is no limit on the amount by which this variable APR can change in any month.
- b. **Default Rate:** If your Business Account is considered in default for any reason and your credit privileges are terminated, BECU reserves the right to charge a default rate, which may be up to the highest rate allowed by law.

6. Finance Charges

- a. **Purchases:** A finance charge as described in section 7, will be imposed on Purchases included in the New Balance and not paid by the payment due date on your monthly statement, and on purchases made during the following billing cycle.
- b. **Cash Advances:** BECU reserves the right to charge a finance charge on Cash Advances (including Balance Transfers) as follows:
 - i. On each Cash Advance, excluding Balance Transfers, a **Cash Advance Fee** as disclosed in the BECU Business Lending Rates.
 - ii. On all Cash Advances, including Balance Transfers, finance charges as described in section 7, regardless of the amount of the Cash Advance, from the date of the Cash Advance until paid in full.

7. How to Determine Finance Charges

- a. **Definitions:** "New Balance" means the sum of all of the unpaid Purchases, Cash Advances, Balance Transfers, finance charges, late payment charges, and other charges outstanding on the closing date. "Previous Balance" means the sum of all unpaid Purchases, Cash Advances, Balance Transfers, finance charges, late payment charges, and other charges at the beginning of the billing cycle. "Purchases" mean transactions involving advances other than Balance Transfers and Cash Advances.
- b. **The types of finance charges that may be assessed on your Business Account are as follows:** Monthly periodic rate finance charges and transaction finance charges. Your total finance charges each billing cycle are the sum of each type of finance charges.

BUSINESS CREDIT CARD AGREEMENT AND DISCLOSURES

- c. Calculation of Finance Charge:** All finance charges for Purchases and Cash Advances on each individual credit card account or Control Account are added together to calculate the Annual Percentage Rate for each billing cycle.

Calculation of Finance Charges for Cash Advances

A Finance Charge on Cash Advances will be imposed from the date the Cash Advance is posted to each individual credit card account and each Control Account until paid in full. There is no period in which you can pay a Cash Advance in order to avoid incurring a Finance Charge. We calculate the Finance Charge by multiplying the Average Daily Balance by the number of days in the billing cycle and then multiplying by the Daily Periodic Rate. We calculate the Average Daily Balance attributable to Cash Advances by adding the beginning balance of each individual credit card account and each Control Account each day, add any new Cash Advances and new Cash Advance Fees, and subtract any payments, credits posted to each individual credit card account and each Control Account, and unpaid Finance Charges and other charges. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Calculation of Finance Charges for Purchases

To avoid incurring additional Finance Charges on the balance of the Purchases reflected on the statement, you must pay the New Balance on or before the Payment Due Date. If you do not pay the entire New Balance on or before the Payment Due Date each month, the unpaid portion of the New Balance will accrue interest beginning on the first day of the billing cycle in which the payment is due. We calculate the Finance Charge by multiplying the Average Daily Balance by the number of days in the billing cycle and then multiplying by the Daily Periodic Rate. We calculate the Average Daily Balance of Purchases by taking the beginning balance of each individual credit card account and each Control Account each day that is attributable to Purchases, add any new Purchases as of the date those charges are posted to each individual card account and each Control Account, and subtract any payments, credits, and unpaid Finance Charges and other charges. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. If you paid the entire New Balance shown on the previous monthly statement by the Payment Due Date shown on the statement, the portion of the New Balance shown on the current statement that is paid by the Payment Due Date shown on that statement will be excluded from the calculation of the balance each day.

8. Other Fees and Charges

BECU reserves the right to charge additional transaction-related fees. Noted below is a current list of fees that may be imposed. This list of fees may change from time to time and will be provided to you prior to implementing any new fees. The amount of certain fees noted below is initially disclosed in the BECU Business Lending Rates and may change at any time without any prior written or verbal notice.

- a. An Overlimit Fee** will be assessed when the New Balance on the statement closing date exceeds the established credit limit or spending limit. For individual credit card accounts, an account is considered overlimit if that individual credit card account exceeds its designated spending limit. Consolidated Pay accounts are considered overlimit if the Control Account exceeds its spending limit.
- b. A Copy Request Charge** may be imposed for copies of each document that you request in connection with this Credit Card, other than those provided in response to a billing error notice under the Fair Credit Billing Act.
- c. A Late Payment Charge** will be imposed on minimum payments not paid when due. This applies to each individual credit card account since payments are due at the card level. Consolidated Pay accounts will be considered late if the payment to the Control Account is not paid when due.
- d. A Returned Check Charge** will be charged if any check or other instrument given as payment on an individual credit card account or a Control Account is uncollectable or is dishonored for any reason. Unless otherwise required by law, we do not have to attempt to collect any check more than once.
- e. A Card Replacement Fee** may be assessed for each Credit Card lost, stolen or destroyed.
- f. A Card Recovery Fee** will be charged and added to your balance if: 1) you use your Credit Card after the Credit Card has been cancelled, and 2) we must pay a recovery fee to a third party who obtains the Credit Card for us.
- g. A Collection Charge** will be charged if we must telephone you, write to you, or make a personal visit due to any default on your part.
- h. A Failed Automatic Payment Charge** will be assessed to your Visa® account if you have elected to make your payment by automatic transfer and the funds are not available for the payment on the transfer date.
- i. Attorneys' Fees and Collection Costs:** You agree to pay BECU's internal and external costs, collection, and other expenses such as repossession fees, expert witnesses, debt collectors, court costs, and reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees in any arbitration or mediation, on appeal, in any bankruptcy (or state receivership or other insolvency proceeding), and in any forfeiture or other proceeding. All of these costs and expenses may be added to your present debt and a finance charge may be imposed on them at the highest rate applied to any of your credit advances.

BUSINESS CREDIT CARD AGREEMENT AND DISCLOSURES

9. Default

You will be in default under this Agreement if any of the following happens on the Business Account: (a) you do not make a payment as required by this Agreement on or before the payment due date; (b) you exceed your Business Account credit limit without our permission; (c) any User violates or fails to comply with any other term of this Agreement, (d) you become subject to bankruptcy, incompetency or insolvency proceedings or you die; (e) you make any untrue statements or omissions or provide false signatures on any application or financial statement furnished to BECU or fail to provide us financial information we request; (f) your payment item is returned unsatisfied by your financial institution for any reason; (g) any credit card check is returned unpaid by us; (h) if we believe (in our sole discretion) that there has been an adverse change in your financial condition; (i) you violate or fail to comply with any term of any other agreement you have with BECU; (j) someone tries to levy, execute upon or attach any property securing this Agreement (including any share or other accounts at BECU, but excluding real property); (k) you no longer qualify for BECU membership; (l) you become generally unable to pay your debts, or cease doing business as a going concern; (m) we determine that you present a risk of future non-payment of your Business Account obligations, (n) any User uses, or attempt to use, a Credit Card or the Business Account for any transaction, which, if completed, would constitute fraud or a violation of law, an event of default, or violation of applicable Visa® rules, or (o) any Business Owner/Guarantor revokes or disputes the validity of, or liability under, any guaranty of the Obligations. Upon the occurrence of any event of default under this Agreement, BECU, at its option, may charge default interest at the rate provided herein on all Business Account balances, and/or we have the right to terminate or suspend your credit privileges under this Agreement, to change the terms of your Business Account and this Agreement, and to demand that you immediately pay the Obligations in full. BECU may start a collection action in the county in which BECU is located or where you reside if you live outside of the State of Washington.

Default on any loan, account, or other obligation that you have with us, including loans which are not part of the Agreement, will constitute default under this Agreement.

If any fee or charge, or any portion of any fee or charge, including but not limited to a finance charge or method of computing a finance charge, would but for this sentence be unlawful, the language of this Agreement shall be automatically reformed to eliminate any excessive or unlawful portion of such fee or charge. In no event shall the fees charged under this Agreement exceed the maximum allowed under applicable state or federal law. In its sole discretion, BECU may charge and collect a lesser amount than that specified in this Agreement or forego any other rights under this Agreement.

Any waiver of any provision of this Agreement shall not be deemed a waiver of such rights in the future.

10. Change in Terms (including Finance Charges)

Subject to applicable law, we may change or terminate any term of this Agreement or add new terms at any time, including without limitation adding or increasing fees, increasing your minimum payment and increasing the rate or amount of Finance Charge, or changing the method of computing the balance upon which Finance Charges are assessed. Prior written notice will be provided to you when required by applicable law. Changes may apply to both new and outstanding balances. Any notice of change in terms required by law will be sent to the last address appearing on the records of BECU, unless you notify us of the change in your address within a reasonable time prior to the notice being sent.

11. Periodic Statements

If you have an outstanding debit or credit balance on any individual credit card account or a Control Account in excess of \$1.00 at the end of a billing cycle, we will send a periodic billing statement reflecting balances and activity in that individual credit card account or the Control Account to the Business and/or the Guarantor(s) at their address(es) shown in our records. We have no obligation to send multiple or duplicate statements.

12. Security Interest

You grant the following security interests to secure amounts outstanding from time to time in connection with your Business Account:

- a. Deposit Account:** We have a statutory lien against all of your shares and/or deposits at BECU that you may withdraw unless you are in default. **By applying for and accepting this Business Account, you grant us a separate contractual security interest in all of the Business's BECU share and deposit accounts it has with us now and in the future and, if the Business is a sole proprietorship, all of your individual and joint BECU share and deposit accounts you have with us, now or in the future (excluding retirement or other accounts to the extent that applicable law precludes the pledge of such accounts), to secure the Obligations. You authorize us, without further notice to you, to apply the balances in these account(s) to pay any of the Obligations in the event of default.**
- b. Collateral for Loans:** You grant BECU a security interest in collateral securing other loans you have with BECU to secure the Obligations (other than collateral consisting of a dwelling or real property).
- c. Goods Purchased:** You grant us a security interest in each item purchased with advances obtained under this Agreement to secure the Obligations. This security interest will remain in full force and effect as long as there is an outstanding balance on the item purchased. If we have the right to demand full payment of the Obligations, we may also take possession of this property (you promise to give it to us if we ask) and sell it to satisfy the Obligations. Any outstanding debt will be allocated upon the first-bought, first paid rule. You agree that 10 days is reasonable time to give you notice of any such sale.

BUSINESS CREDIT CARD AGREEMENT AND DISCLOSURES

13. Merchant Claims

Each User agrees to assert all defenses, complaints, rights, and claims, which such User may have relating to goods or services purchased through the use of the Account, only against the Merchant or other person selling or providing those goods or services and not against us. You agree that regardless of the existence of any merchant claims, you will be liable to us as this Agreement provides and, without any exception, we will not be responsible for any merchant claims you may have.

14. The Minimum Periodic Payment Required

- a. Payments:** You agree to make all payments by check or money order to us at the location and in the manner specified on your periodic billing statement in U.S. Dollars. Payments tendered to and accepted by us at a location other than the address stated on the billing statement are not effective until received by us at the address specified. Payments received at Card Services, P.O. Box 84707, Seattle WA 98124-6007 before 5 p.m. Pacific Time on any business day will be credited to your Account as of that date; payments received on or after 5 p.m. PT, on a weekend or federal holiday will be posted to your Account as of the next business day. Crediting to individual credit card account(s) or Control Account(s) may be delayed up to five days if payment is received at any other address or not accompanied by the remittance portion of your Account statement(s). You agree that you will pay at least the required minimum payment specified in this Agreement and as shown on your periodic billing statement(s) as the Minimum Payment Due. Application of payment amounts to the various components of the Obligations will be at our discretion, and may include, (among other things), application of payments to fees and finance charges before principal amounts, and to components bearing lower interest rates, before components bearing higher interest rates, and may vary from time to time. Payments are credited nightly.
- b. New Balance:** If you elect not to pay your New Balance on each individual credit card account or Control Account in full, a payment according to the following schedule plus any amount that is past due must be made by you within 25 days after the closing date of each billing cycle as shown on your statement. If the New Balance on each individual credit card account or Control Account is less than \$25 your minimum payment will be the full balance; if your balance is \$25 to \$1,000 your minimum payment will be \$25; if your balance is more than \$1,000 your minimum payment will be 2½% of your New Balance on that account rounded down to the nearest whole dollar. A credit posting from a merchant or reversal of fees do not constitute nor may be applied toward your minimum payment.
- c. Past Due and Overlimit Amounts:** In addition to the above, the minimum payment will also include the greater of any amount past due or any amount by which the New Balance exceeds the approved spending limit for individual credit card account(s) or the Control Account. If an individual credit card account or Control Account is past due and/or overlimit, that amount of the minimum payment is immediately due.
- d. Payment in Full:** The payment of the New Balance in full will not reduce the minimum payment for the next billing cycle if there are new Purchases or Cash Advance transactions.
- e. Pre-payment and Irregular Payments:** You may pay all or part of your balance or loan(s) early, at any time, without paying any penalty. However, payments in excess of your minimum payment will not relieve you of your obligation to make your subsequent minimum payments on the dates when due. Instead, a prepayment or early payment will reduce the principal amounts owing on the individual credit card account or Control Account. We may accept late payments, partial payments, and payments marked "payment in full" or other restrictive endorsements without losing our rights under this Agreement. ALL COMMUNICATIONS CONCERNING ANY DISPUTED DEBTS, INCLUDING ANY CHECK OR INSTRUMENT TENDERED AS FULL SATISFACTION OF A DEBT (INCLUDING CREDIT CARDS), SHALL BE SENT ONLY TO THE ATTENTION OF: Risk Management Representative – Account Dispute, P.O. Box 97050, Seattle, WA 98124-9750.

15. Additional Provisions

- a. Ownership of Credit Cards:** Any Credit Card, other credit instrument or device which we supply is our property and must be returned to us or our agent immediately upon demand. If we ask, the User will destroy the Credit Card by cutting it in half and will surrender it to us or our agent, mail it to us, or take it to a location we designate.
- b. Honoring of Credit Card:** We will not be responsible for the failure or refusal of anyone to honor the Credit Card or any other credit instrument or device we supply.
- c. Transfer of Credit Card:** The Credit Card may not be transferred to any other person, although you will be liable for any use by anyone else that has been authorized by you or another Cardholder or as otherwise provided for in this Agreement.
- d. Refunds:** If a seller agrees to give a User a refund or adjustment, the User will accept a credit slip for your Credit Card in lieu of a cash refund.
- e. Transactions:** For statement verification, a copy of each slip (ticket/draft) resulting from each Purchase, Cash Advance, or other transaction on your Credit Card must be retained. We will provide you with photographic or other documentary evidence of each transaction upon your reasonable request or upon proper written notice of a billing error. (See section 8 for cost information).
- f. International Transactions and Foreign Exchange:** If the Credit Card is used for international transactions, the exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa® USA, Inc. or its affiliates ("Visa") from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa® itself receives, or the government-mandated rate in effect for the applicable central processing date. In addition, an International Transaction Fee is applicable to all

BUSINESS CREDIT CARD AGREEMENT AND DISCLOSURES

The International Transaction Fee is disclosed in the BECU Business Lending Rates and may change at any time without any prior written or verbal notice. If you do not pay us immediately, outstanding balances will continue to accrue finance and other charges and be subject to the terms and conditions of this Agreement. You also agree to return to us or destroy your Card(s).
- l. Visa Account Updater:** BECU may use the Visa Account Updater (VAU) service, which would automatically update your card-on-file information at participating merchants, for example sending updates about replacement account numbers if your card is lost or stolen. Recurring Merchant Transactions: If you authorize a merchant to charge your account for repeat transactions with your Card, you must notify the merchant when you want to discontinue the repeat transactions, including when your Card account is closed or a new Card number is issued by us, and you must monitor your periodic statements to be vigilant for unauthorized recurring transactions with merchants who participate in the VAU service described above. You may opt out of the VAU service to block all participating merchants from receiving updated new account information.

BECU Business Visa with Cash Rewards Rules, Terms, and Conditions

Please read and retain these terms and conditions, which contain important information about the *BECU Business Visa with Cash Rewards* offered in connection with the Boeing Employees' Credit Union (BECU, us, we, or our) credit card. These *Rules, Terms, and Conditions* (this Agreement), supplements and is in addition to Business Credit Card Agreement and Disclosures (Cardholder Agreement). By accepting a BECU Business Visa with Cash Rewards, you agree to be bound by this Agreement and the Cardholder Agreement. In the event of a conflict between the Cardholder Agreement and this Agreement, the terms and conditions stated in the Cardholder Agreement will govern except this Agreement will govern in any matter relating to the BECU Visa with Cash Rewards. Capitalized terms not otherwise defined below shall have the same meanings as provided in the Cardholder Agreement.

The BECU Business Visa with Cash Rewards credit card (Cash Rewards Card) is sponsored by BECU and is restricted to BECU Business Visa Cardholders in good standing (as defined by us from time to time).

1. Acceptance

The terms of this Agreement are effective immediately upon your acceptance of the Cash Rewards Card. The Cash Rewards Card will be established in the name of the primary Cardholder and all cash rewards will be awarded to your Master Account. We will only take instructions from a Cardholder who has agreed to be bound by the Cardholder Agreement covering your Account (Authorized Cardholder, you, your, and yours). A User who did not sign the credit application associated with your Cash Rewards Card is not an Authorized Cardholder.

2. Qualifying Purchases

Only authorized charges for the purchase of goods or services made with your Cash Rewards Card, less any credits for charge reversals or other refunds will earn cash rewards. Qualifying Purchases do not include cash advances, balance transfers, convenience checks, payments made for stored value cards such as gift cards and similar cards, wire transfers, money transfers, travelers checks and similar products that may be converted to cash such as money orders and certified checks charged to your Account, all incidental charges and fees charged by us (for example: voluntary payment protection costs, finance charges, annual participation fees, returned check fees, service charges, over-limit fees, and ATM fees), and purchases when your Account is not in good standing. We reserve the right to determine in our sole discretion whether a particular transaction is a Qualifying Purchase or to include or exclude other charges from the definition of Qualifying Purchases.

3. Cash Rewards

For each dollar of Qualifying Purchases charged to your Cash Rewards Card, you will be awarded a 1.5% cash reward on the full purchase amount. Your cash rewards will begin to accumulate from the date of your acceptance of the Cash Rewards Card. There is no limit to the amount of cash rewards you may earn. Cash rewards cannot be sold, attached, or pledged under any circumstance. You will not receive cash rewards if your Cash Rewards Card is flagged as Suspended, Lost/Stolen, Over-limit, Past Due, Voluntary Closure, Revoked, or otherwise not in good standing with BECU (for example: for any charge that causes the outstanding balance on your Cash Rewards Card to exceed your Credit Limit, for any charges posted to your Cash Rewards Card when it is in an over-limit condition, or for any charge posted when a payment on your Cash Rewards Card is past due). Your cash rewards balance may be reduced by any returns, credits or other refunds, charge reversals, chargebacks or other disputes, and a negative balance may result if such reductions for a particular billing cycle exceed cash rewards for purchases of goods and services.

4. Suspension and Forfeiture of Cash Rewards

We have the right to suspend redemption rights of your cash rewards in the event there is a dispute between you and us or between you and another User. We may forfeit your cash rewards immediately if you are in default under the Cardholder Agreement, if we determine that any Cardholder has violated the redemption rules of this Agreement, if any User is in any way involved in fraud, theft, or other illegality, or if we terminate or suspend your Cash Rewards Card for any reason. We will not give you notice of forfeiture. You are not entitled to compensation from us or any other entity when your cash rewards expire, are suspended, or are forfeited for any reason.

5. Minimum Payment

A cash rewards credit posting does not constitute a credit towards your Minimum Payment.

6. Changes

We may, from time to time and in our sole discretion, amend, delete, or add to the terms of this Agreement and may change or limit any aspect of the BECU Visa with Cash Rewards and its restrictions, benefits, or features, in whole or in part. Such changes are effective to all Cardholders and may be applied retroactively. Changes may include, but are not limited to, the number of cash rewards, the type of transactions which qualify for cash rewards, the type and/or value of cash rewards, the availability of cash rewards, the cash rewards offerings, the expiration of cash rewards, the imposition of an annual membership fee or the increase of any fees associated with the cash rewards, or the number of cash rewards which may be earned. Your continued receipt of cash rewards does not give you any vested rights and you may not rely upon the continued availability of cash rewards. We will post any such changes to the [Agreement on the Web Site \(www.becu.org\)](http://www.becu.org) and it is your responsibility to review the Agreement for any such changes.

7. Termination or Cancellation

We reserve the right to suspend or terminate the features of the Cash Rewards Card and this Agreement at any time. Our decisions regarding such suspension or termination are final. Any Cardholder may cancel your Cash Rewards Card at any time by calling BECU at 206-439-5700, or outside Seattle at 1-800-233-2328, or by writing us of your intent to cancel at: BECU, Attn: Card Services, P.O. Box 97050 Seattle, WA 98124-9750 at least ten (10) days before the end of any billing cycle in order to cancel this feature before the next billing cycle. If we do not receive your cancellation request in time to cancel the Cash Rewards Card for the next billing cycle, the cancellation will not be effective until the first day of the next billing cycle. If we suspend or terminate the Cash Rewards Card or if any Cardholder cancels no further cash rewards will be awarded. You will continue to be obligated to make monthly payments and comply with all of the terms and conditions stated in your Cardholder Agreement.

8. Income Taxes

Earning cash rewards may result in tax liability. Any applicable federal, state, or local tax obligations related to the Cash Rewards Card are your sole responsibility. Please consult your tax advisor concerning any such income or other tax consequences related to your participation in the Program. Tax reporting, if any, will be made to the tax identification number of the primary Cardholder and not to the tax identification number of any of the other Users of the Account.
