WASHINGTON FIRST ROBOTICS

FIRST Washington provides exciting, mentor-based after school programs for youth ages 6-18, in order to build science, technology, engineering, and math skills (STEM), inspire innovation, and foster well-rounded life capabilities including self-confidence, communication and leadership. In our four age-appropriate programs, industry mentors, teachers and parents team up with students not just to build robots, but to build self-confidence and respect. We strive to bring STEM equity, access, and inclusion to the most disadvantaged youth in communities lacking resources, so that ALL youth can develop 21st century workforce/life skills; so that the STEM pipeline includes more diversity; and so we can solve the STEM workforce shortage for local businesses.

YOGA BEHIND BARS

Yoga Behind Bars (YBB) is the only nonprofit in Washington State dedicated to offering trauma-informed yoga and meditation in prisons, jails, and detention centers. Our approach to compassionate rehabilitative programming is intended to shift the culture in prison from punishment to healing, harm to transformation, and recidivism to reintegration.

As a national leader in prison yoga service, YBB serves thousands of students per year in 17 state prisons, jails, and detention centers. Our volunteer faculty of 102 certified instructors, including inmate teachers, offer an average of 37 classes a week. We promote rehabilitation, help to build safer communities, and contribute to reform of the corrections system. Ultimately, we aspire to end the intergenerational cycle of suffering caused by incarceration.

WHITE CENTER EMERGENCY FOOD ASSOCIATION

The Food Bank provides healthy food, diapers and other necessities to those in our community. With only three full-time staff members the majority of the work done for the Food Bank is voluntary. As a result, we boast that an approximate 91 cents of every dollar goes directly back to the hungry and underprivileged in White Center.

KING COUNTY EXPLORER SEARCH AND RESCUE

King County Explorer Search & Rescue (ESAR) was founded in 1954 as one of the first organized search and rescue teams in the country. Originally part of the Boy Scouts of America Learning for Life program (Explorers), it was also the nation's first youth based search and rescue organization. Today it is the largest of eight member-units of the King County Search & Rescue Association (KCSARA) and is comprised of both youth and adult members.

NATIONAL FEDERATION OF THE BLIND OF WASHINGTON

The mission of the National Federation of the Blind of Washington is to achieve widespread emotional acceptance and intellectual understanding that the real problem of blindness is not the loss of eyesight but the misconceptions and lack of information which exist. We do this by bringing blind people together to share successes, to support each other in times of failure, and to create imaginative solutions.

REAL ESCAPE FROM THE SEX TRADE

REST was founded in November 2009 by a small team of women with experience dealing with troubled youth and sexual abuse issues, and other members of the team with backgrounds in wraparound services and case management to develop relationships with people being commercially sexually exploited (trafficked), or otherwise engaged in the sex trade or are at risk to enter.

OUTDOORS FOR ALL

Our mission is to enrich the quality of life for children and adults with disability through outdoor recreation. Outdoors for All transforms lives for people with disabilities by making it possible to have fun in the outdoors, experience new things, and connect with others.

We provide adaptive and therapeutic recreation programs such as skiing, cycling, rock climbing, kayaking, hiking, and more. In order to make this programs possible we do our best to remove the barriers many individuals with disabilities face by providing special equipment and instruction, providing transportation when possible, and offering scholarships to alleviate any financial strain.

THE GOODTIMES PROJECT

When cancer becomes your world, The Goodtimes Project creates caring spaces for local families to connect and kids to be kids, through camps, events, and programs. We serve families throughout Western Washington and Alaska with a goal of providing cost-free programming to help them reconnect with a world beyond their diagnosis.

SIBLING HOUSE

Sibling House is a network of homes where siblings in foster care can stay together in a loving environment while separated from their birth parents.

This includes identifying, and providing support, through our Mentoring and Outreach, Project Sheltering Tree, Enrichment, and Outdoor Experience Programs, to other foster homes that are willing to provide care to siblings in foster care, essentially, more "Sibling House(s)". It is through the efforts of volunteers, corporate sponsors, strategic alliances with business and the community, and generous benefactors from all walks of life, that Sibling House works to reach the goals of the founders. In the true essence of "giving back to the community" we all share the ideals of Sibling House. We at Sibling House invite you to join us in making a difference, today...and tomorrow. It takes a village.
