What information do I need to complete the application?

Before starting your application, gather information about:

- The academic program you plan to attend in the fall and the degree you are seeking.
- Transcripts from your high school and/or post-secondary degree programs
- Information about your community service, extracurricular activities, and work experience over the last four years, including organization name, time spent on the activity, timing of participation, and a brief description of responsibilities
- The name and contact information for someone who can verify the community service you share

You will also be asked to respond to an essay prompt about the most meaningful community service activity you participated in over the last four years, and to respond to short answers about your motivation for higher education and personal challenges you've overcome.

Who administers this program?

To ensure complete impartiality in the selection of recipients and to maintain a high level of professionalism and security, the program is administered by International Scholarship and Tuition Services, Inc. (ISTS), a firm that specializes in managing sponsored scholarship, grant, tuition assistance, and tuition reimbursement programs.

Application Details

Which school should I list on the application if I have not made a final decision?

You should list your first-choice school on the application. You can change your college choice any time prior to the application deadline. If selected as a recipient, you will be asked to confirm your final school choice. If your school changes after the acceptance deadline, you will be able to update this information on your **My Profile** page.

What are the differences between official and unofficial transcripts?

Official transcripts must be obtained through your high school administration office or your college registrar office. Transcripts are normally printed on official letterhead and/or state that they are official. Transcripts may contain or require a signature.

*Note: Your official transcript may come to you in a sealed envelope, stating it will become unofficial if opened. When scanning or copying your official transcripts, a watermark may appear noting that they are now unofficial. **Despite any watermarks or sealed envelopes, you may open the envelope if needed to upload the document. These documents will be considered official for our purposes.** Acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. When scanning or copying, you do not need to include a copy of the sealed envelope.*

Unofficial transcripts may be accessed through your school's online student portal. These pages must still be converted to one of the acceptable file formats. **Unofficial transcripts must contain your name.**

Should I submit all of my information before I request a community involvement verification?

You should request your community involvement verification as early as possible to ensure there is sufficient time for the verification to be submitted by the deadline. You do not have to wait until all other portions of your application are complete before requesting your community involvement verification.

You are required to have at least one verification submitted in addition to your supporting documents for your application to be complete. The verification must be submitted by March 7, 2019.

Your verification should be submitted by your direct supervisor during the time of participation in the activity you have listed in your application. If this is not possible, the verification can be submitted by a beneficiary of your community involvement (who is not a family member.)

What supporting documentation is required for this application?

- High school transcript is required for 1-year VoTech program, 2-year VoTech program (1st year), and college freshman only.
- College/university transcript is required for 2-year VoTech program (2nd year), college sophomores, juniors, and seniors only.

Where and when should I send my supporting documents?

All required supporting documents must be uploaded to your online application by the application deadline. If you do not follow the upload instructions exactly, your application may remain incomplete. Documents that meet the criteria required for this application that are uploaded by the deadline will be processed and considered on time.

Upload FAQs

What should be visible on my documents?

All uploaded documents **must** show your name. If you are using an online portal to access your required documentation and all that is visible is the salutation and your first name (Example: Welcome Joe!), this will meet the name requirement.

What are the acceptable file types?

The only acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Any other formats will not be reviewed, and your application will remain incomplete. You may upload multiple files within a .zip file. All files within a .zip file must be in one of the acceptable file types listed above.

Why can't I upload a Word document?

ISTS does not accept any file format that is editable.

One of the documents I uploaded has a status of rejected. What do I do now?

Review the reason your document was rejected. Once you have corrected that issue, upload a new copy of your document.

How do I upload more than one file at a time?

You may create a .zip file containing more than one file as long as everything included is in an acceptable file type of **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Do not upload additional documentation that is not requested. It will not be reviewed.

How do I create a .zip file?

To use this format, follow the steps outlined below:

1. Create a new folder on your desktop and name it the document type you will be uploading. For example, Test Scores, Transcript, or Financial Documentation.
2. Move all the files you wish to upload into the new folder.
3. Right click on the folder from your desktop:
 - a. PC users: select "Send to," followed by "Compressed (zipped) folder."

- b. Mac users: select “Compress [folder name].”
4. Your new **.zip** file will be located on your desktop, ready to upload.

How long does it take to process my uploaded documents?

Documents are processed daily. Your document will be processed within five to seven business days. If your document was uploaded prior to the deadline, it will be considered. However, it is your responsibility to monitor your **home page** to ensure your document is **accepted**.

The deadline has passed and my documents are still processing. What does that mean?

All documents must be reviewed for the required information and for accuracy. All documents uploaded prior to the application deadline will be reviewed and considered. It is your responsibility to monitor your **home page** to ensure your document is **accepted**, and that your application status reads **complete**.

What are the DOs and DON'Ts of uploading documents to my application?

DO:

- Upload one of the accepted file types.
- Only upload the requested and required documents.
- Black out any Social Security numbers. *This is not required, but highly advised.*
- Return to your **home page** to verify your documents have been **accepted**.

DON'T:

- Upload a Microsoft® Word document (.doc, .docx) or any other format we don't accept.
- Upload more than the requested documentation.
- Assume your documents are correct and accepted once you have uploaded them.
- Upload a document stating you are mailing your documents.
- Assume the required document does not pertain to you. If the application states the document is required, your application **will** remain incomplete if you do not provide that document. Contact us if you are having trouble providing a required document.
- Password-protect your uploaded documents. Password-protected documents will be rejected.
- Upload any file that has a viewing expiration date.

Notifications

How will I be notified about the status of my application?

Notifications are sent primarily via email to the email you used to create your account. Some programs offer text and voice notifications. **Ultimately, it is your responsibility as the applicant to verify your application status on your home page is complete.**

What notifications will be sent to me?

- Deadline reminders: Deadline reminder emails are typically sent two weeks and one week prior to the application deadline.

- Community involvement verification reminder: You may receive a notification after the application deadline but prior to the verification deadline if your verification is still incomplete.
- Selection results: Selection results notifications are sent to all **complete** applicants.
- Renewal instructions: If awarded, you will be sent a notification when it is time to renew your award.
- Funds disbursed: Once your funds have been issued, you will be notified.
- Other scholarships: Occasionally, if you meet the requirements for another scholarship administered by ISTS, you will be notified. These notifications are not guaranteed.

Your information is never sold to any third party for marketing purposes.

Who will be sending notifications?

You will receive notifications from two possible ISTS email addresses: donotreply@applyISTS.com and contactus@applyISTS.com. You should add both of these email addresses to your safe senders list to ensure important emails are not sent to your spam or junk folder.

When will I receive notifications?

Notifications vary by program based on the program timeline. Refer to the program timeline listed above for more specific information. Typically, deadline reminders are sent two and one week prior to the application deadline.

Can I opt out of notifications?

While you can opt out of notifications, this is not advised. It is your responsibility as the applicant to ensure your application is **complete**. If you opt out of notifications, you will not receive deadline reminders, selection results, or renewal instructions. **Your information is never sold to any third party.** The only emails you will receive from ISTS are directly related to your application and, *possibly*, other scholarship opportunities.
