GET A RV LOAN RIGHT AT THE DEALERSHIP

ASK A PARTICIPATING DEALER for BECU (Credit Union Direct Lending CUDL) financing and get your RV loan right at the dealership. You will receive the same great

rates and features you would find online or in-person. If you're not a BECU member, you can join right at the dealership.

**BECU membership subject to eligibility requirements. BECU loan financing subject to BECU credit and underwriting approval.*

ABOUT CREDIT UNION DIRECT LENDING

CUDL is a point of purchase loan application web-based processing system. We utilize CUDL to provide convenience for members and prospective members at most franchises and some independent RV dealerships. From the dealership, your loan is submitted through CUDL secure channels requesting financing directly with BECU. If you are already approved for a RV loan, you will need to complete a credit application at the dealership as well for processing purposes (this will not impact your credit score).

When you use CUDL to finance at the dealership, you'll enjoy the same low rates and flexible terms as you would get through a BECU location or online. And, you'll be able to drive away with your new or pre-owned RV the same day!

For a complete list of participating dealers, please visit www.becu.org/cudirect.
