Estimated monthly payments are based on an Example Loan Amount with no cash out, no subordinate financing, an applicant Credit Score, the Interest Rate and Discount Points disclosed above applicable to the Product, and does not include amounts for taxes and insurance. Actual payment amount will be greater if an escrow account for taxes and insurance is established. Rate may be higher than advertised rate depending on loan terms and credit qualifications. No Fee loans are for refinances only. Borrower is responsible for paying all fees and charges related to the existing loan (for example, payoff demand, reconveyance fee and/or any prepayment penalty imposed by existing lender). The APR in the example assumes the payment of 15 days of interest at closing. The borrower is responsible for payment of per diem interest, payment of property taxes, and insurance premiums (if due).
